

JP Delpont promoted Managing Director at Broadcast Solutions UK

Broadcast Solutions UK announce the appointment of JP Delpont as Managing Director. Broadcast Solutions UK is a subsidiary of Broadcast Solutions, one of Europe's biggest System Integrators, headquartered in Germany.

Having joined the UK company at the beginning of 2020 as Sales Director, JP Delpont will now take the helm as Managing Director in the UK, reporting to the Broadcast Solutions Group management in Germany.

Stefan Breder, CEO of the Broadcast Solutions Group, comments: "We were very happy to have JP join the company earlier this year, and are excited to welcome him as the Managing Director of our UK entity, which was a logical step for us. JP has extensive experience in the industry and knows the UK market inside out. I am sure that the UK office and the whole company will benefit greatly from him leading the team."

JP Delpont brings more than 15 years' experience in the broadcast and communications industry, having held leadership roles at many companies at the forefront of broadcast technology, including DTC, Presteigne Broadcast Hire and Vislink.

JP Delpont promoted Managing Director at Broadcast Solutions UK

Thursday, 09 July 2020 14:22

Having opened an office in Basingstoke, Hampshire, in 2019, and with JP Delpont now being appointed as Managing Director, Broadcast Solutions underpins its commitment to the market and strengthens its presence in the UK.

At the same time, Broadcast Solutions UK is sharpening its focus to satisfy an increasing demand for their products and services. The UK entity centres on innovative products for broadcast and media companies and weaves them into overall turnkey and future-proof solutions for customers to cover broadcast and media workflows with ease and to reduce cost.
