

Ray Tantzen Joins QSC

QSC announces that Ray Tantzen has joined the organization as Director of Product Management. Tantzen has over 20 years of experience in pro audio product management with top brands including PreSonus Audio Electronics, Avid and Loud Technologies.

“It’s very exciting to have Ray join our QSC team,” says David Fuller, Vice President Product Development, QSC Pro Audio. “Ray brings a tremendous amount of knowledge and expertise in developing and advancing digital mixer technology and

he will be a valuable asset as we continue to innovate across our most coveted portfolio.”

“QSC is a strong and successful brand with a long heritage of developing solutions that deliver complex technologies to customers in a simple way,” says Tantzen. “I am thrilled to be part of this customer-first organization and look forward to guiding product strategy alongside a great product development team.”
