

ProAUDIO-AVT Is Now The Exclusive AUDAC Distributor For Poland

AUDAC announced the collaboration with Poland's audio distributor Pro Audio for the exclusive distribution of AUDAC in Poland. ProAUDIO-AVT has been operating on the audiovisual market for almost 30 years and has always been focused on high quality products, engineering and after sales services, both for live and install markets. Market experience makes them one of the most trusted companies in the AV industry of Poland.

Tomasz Kwiecien, CEO, ProAUDIO-AVT said: "We want to offer a complete audio product range when we create audio-visual projects. And I believe AUDAC represents the highest quality available at a competitive price. The Polish audio market needs this kind of solutions and we are really looking forward to a successful cooperation."

AUDAC's export manager, Mark Asselberghs, is equally delighted with the new appointment. "ProAUDIO-AVT is a well-established distributor who knows their market inside-out. They understand the importance of not just selling a product, but the added value of excellent service and technical assistance at every stage of the project. And that is exactly what AUDAC stands for."

The addition of ProAUDIO-AVT in our distributor network allows us to focus even more on the growth market that Poland is. They will enable us to effectively serve the Polish market and
