

Egor Tyagunov joins Telos Alliance

Telos Alliance, company with expertise in broadcast audio for more than three decades, welcomes Egor Tyagunov back to the company in his new position of Sales Manager, Media Solutions, EMEA. Tyagunov's previous tenure with Telos Alliance was as sales manager for the CEE and CIS regions. "We are so happy to have Egor back on our team," said Peter Passian, Telos Alliance Senior Director of Sales for the Eastern hemisphere. "His 30 years of IT and broadcast experience have equipped him with a wealth of knowledge and expertise, and a detailed understanding of audio processing for Television workflows that will serve our clients very well."

In his new role, Egor will primarily focus on the Jünger Audio and Linear Acoustic product lines, which are uniquely positioned to provide television, streaming, and on-demand broadcasters with the tools needed to deliver compelling, immersive TV audio to today's sophisticated viewers. "I'm excited to be working again with my colleagues at Telos, particularly when such rapid changes are occurring in the TV and streaming content landscape," said Tyagunov. "Our immersive and interactive audio solutions for OTA, OTT, and streaming content providers are the best in the

industry. I'm also glad to be rejoining the team in time for IBC!"

Professionals attending IBC 2025 in Amsterdam can schedule an appointment with Egor by visiting the website below, and can visit him on the show floor at the Telos Alliance stand, 8.D37.
